

SRI LAXMI JANARDAN HIGH SCHOOL, BELMAN

ANNUAL DAY CELEBRATIONS – 23/12/11

Annual Report

Distinguished Chief Guest, Mr.S.S. Shinda, Deputy Director of Pre-University Education, Udupi, Honourable president of the function Mr.P.K.Shetty, other dignitaries on and off the dais, Ladies and Gentlemen:

A very good evening to you all.

On this auspicious occasion I deem it my proud privilege to present the school annual report for the academic year 2011-12.

Ability of a child is not in acquiring knowledge but in converting knowledge in to skills.

Scientific growth and advancement in technology has shrunk geographical distances and rendered the world into a global village which is multi cultural, multi religious and multi linguistic in nature.

Education in the present context should enable the learners to fulfill their responsibility towards their family, society and the nation. It should empower them to make the world a better place to live in.

Education should promote our unique legacy of ancient culture and rich tradition.

Keeping these objectives in mind the CBSE has introduced the system of **Continuous and Comprehensive Evaluation** in all the schools affiliated to the CBSE Board.

The year under report has been a beehive of innumerable activities and achievements.
